5) Returned with compliments with my remarks as follows on the resolution of the meeting of the general body of the Mysore Municipal Co-operative Stores held on 10-10-1946 requesting the Government to grant 2 years further time to repay the balance of Rs 10,000/- and that interest may not be charged for delay in repayment etc

6 The loan of Rs.25,000/- sanctioned in G.O. No L.7434-8/M1 111-42-8 dated 30-1-1943 has been utilised by the society towards the capital required for running the stores for the benefit of the Municipal staff, scavangers and sweepers of the Mysore Municipality The society at first expected to repay the loan in 2 years time as per estimated profits based on the probable volume of transactions In the first year i e in 1943-44, the society had to work at a loss on account of huge shortages while the profits earned in subsequent years namely 1944-45 and 1945-46 were not also encouraging The society has, inspite of these effects of loss or meagre income, striven hard so far to pay a total sum of Rs 15,000/- and prays for 2 years' time to repay the balance of Rs 10,000/- The Directors have since been taking more vigilent steps to prevent losses and to see that much of avoidable expenditure is curtailed It is therefore requested that Government may be pleased to grant 2 years' time to the society to repay the balance of Rs 10,000/- subject to its being paid in 2 annual instalments of Rs 5,000/- each commencing from the date of the Government Order and that interest may not be charged for delay in repayment as per the above resolution of the general body
